April 19, 2013 - Why the Devil Needs Homosexuality Legalized and What This Means to You!

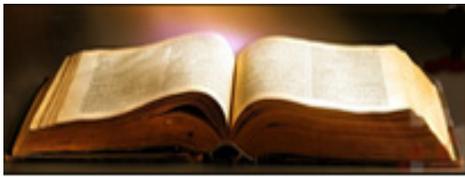

FYI: I would like to explain what will happen to nations who legalize homosexuality, as well as what will happen to homosexuals, at the Separation Judgment of the Lord that is about to come upon the earth. There is a vast movement financed by the Crowne Trust and its secret dark ops working arms, to push all nations to commit the sin of passing Gay Marriage into law. But, why are they doing this? It is different than you think. They are actually doing this so that they have the right under the Laws of God to take away the sovereignty of the nations, as well as to take away all the property and assets of each individual person in that nation. And, there is nothing short of a dramatic revival of Truth and the committed zealotry to sanctify the people and the nation that can stop this from occurring.

What the people of the nations do not seem to understand is that under God's laws made perfectly clear within the Bible (*Leviticus 18:19-29*), is that these nations are giving to the 13 Families and their operating arm - the Crowne Trust - the right to remove the people from their nations. When we pass these laws, the result is the activation of God's Law that these people must be uprooted from their nation and cast out. This is why the governments in the nations are so aggressive to not allow any teaching against homosexuality. Let me review this briefly so that you get a better understanding.

Of course any one has the free right given to them from God to choose to sin against the laws of God and the name of God. It is their choice, but for action there is a judgment that comes with either punishment or reward. There is a punishment for the sin of omission about the teaching on homosexuality. For example, when Christian TV Networks will not allow speakers to teach the Law of God regarding homosexuality, then those networks, their owners, and those in the Government who support this blockage of the truth, fall under the promise of God that they will receive of the same punishment as the homosexual, for they have walked in fornication with the harlot of Babylon and they shall receive their share of the punishments for its sins and they will receive of the same plagues that will come upon those serving the harlot (*See Rev. 18:1-4, and Zech. 14:12*).

I have attached a news article of the nation of New Zealand choosing willfully to lose the sovereignty of their nation because they passed a national law for gay marriage. The Government leaders of New Zealand have taken their position along with the other nations that have chosen to walk in the Ways of the Harlot of Babylon when they approved the Gay Marriage Bill. That Bill includes the right to a most serious abomination before the Lord, and that is for His innocent ones to be placed in a house of sin - for they approved the right for homosexuals to adopt children and to become parents of these children. This is a most serious sin, and it compounds these leaders abominations before God, and it confirms that New Zealand's sovereignty will be removed from them. Worse, the people will be separated into a place of desolation at the Separation Judgment. All those who do not immediately turn and sanctify themselves by seeking His Words of Truth, and who do not plead before Him, will be cast out from their homeland and relocated into a desolate place. That is the Law of God for this time. Those who do sanctify themselves in accordance to Joel 2:12-20, will be set apart into a land that will be blessed of God.

You might recall that the nations of Argentina, Belgium, Canada, Denmark, Iceland, Netherlands, Norway, Portugal, Spain, South Africa, Sweden and Uruguay have already committed the abomination before God of having legalized gay marriage by willful acts of man's laws. Also, during the past few weeks the French Senate approved a Bill that brought same-sex marriage a significant step closer in that nation. In the United Kingdom

there is gay marriage legislation that is currently making its way through parliament. The UK House of Commons has already passed this abomination.

What people seem to not understand is that we are about to witness a global event that is likened to the Tower of Babel in many ways, only it will be far worse than the Tower of Babel. I have proven from Scriptures that we are living in the Night of the Day of the Lord. I have warned that we are at the doorstep of the appointed time for the execution of the Separation Judgment of God that occurs in the Night of the Day of the Lord ([See Luke 17:34](#)).

In the imminent Separation Judgment, the Father is going to send forth His Holy Angels and they are going to separate the people, and that includes their physical disbursement throughout the earth. In Leviticus 18:19-29 the Lord promises that the punishment for a nation establishing a law legalizing the abomination of homosexuality, bestiality, or other such sexual immorality sins, that it shall be **those stewards and participants will be cast out of the land of their own nation**. One of the terrible results of the Great Tribulation that is about to be fulfilled on the earth is that the Lord is going to allow the evil ones to destroy many places on the earth - they will be made desolate areas.

Those are the areas that the Lord promises to uproot and to place the wicked and the complacent into at the Separation Judgment. But, take notice that it is told to us in Revelation 12:15-16 that in these Days the Father has ruled that the earth is going to open its mouth and help His Wisdom. You will notice the statement of God in Leviticus 18:25 that the land - the earth - shall vomit out its inhabitants. In Leviticus 18:24-25, 28-29, the Lord promises that these who allow these things and share in these sins and will also receive of the plagues that the wicked and complacent shall receive for 1,290 days following the Separation Judgment. These plagues are explained in Deuteronomy, but the Lord summarizes them in one verse in Zechariah 14:12.

Leviticus 18:19-23 ¹⁹Also you shall not approach a woman to uncover her nakedness as long as she is in her customary impurity. ²⁰Moreover you shall not lie carnally with your neighbor's wife, to defile yourself with her. ²¹And you shall not let any of your descendants pass through the fire to Molech, nor shall you profane the Name of your God: I am the LORD. ²²You shall not lie with a male as with a woman. It is an abomination. ²³Nor shall you mate with any animal, to defile yourself with it. Nor shall any woman stand before an animal to mate with it. It is perversion. ([Do you realize the American military allows bestiality?](#))

Leviticus 18:24-29 ²⁴Do not defile yourselves with any of these things; for by all these the nations are defiled, which I am casting out before you. ²⁵For the land is defiled; therefore I visit the punishment of its iniquity upon it, and the land vomits out its inhabitants. ²⁶You shall therefore keep My statutes and My judgments, and shall not commit any of these abominations, either any of your own nation or any stranger who dwells among you ²⁷(for all these abominations the men of the land have done, who were before you, and thus the land is defiled), ²⁸lest the land vomit you out also when you defile it, as it vomited out the nations that were before you. ²⁹For whoever commits any of these abominations, the persons who commit them shall be cut off from among their people.

There are easily able to read the warning of God that at this time when the Judgment of Babylon has been declared by the Father that it is to fall, then what these people have done is a terrible thing for them and the people of their nation because the Lord says that they will receive the punishment for their sins and added to that the plagues that are promised to the wicked ([Consider carefully Zech. 14:12](#)). Also remember that it is made clear from Scriptures that we are living in the Night of the Day of the Lord, and in Isaiah 21:3-14 the

Lord makes it clear that the Judgment has already been rendered for the Lord reveals the Judgment is actually declared in the Evening of the Day of the Lord. It occurred in June 2009, just before the end of the 2300 days of waiting (*Dan. 8:13-14*) that was fulfilled at the end of July 2009. That was immediately confirmed by dramatic Prophetic Visions and Prophetic Words, especially the one at the following link:

<http://www.153wordsofgod.com/PDF/The%20Booming%20Sound%20from%20Heaven,%20His%20Mobilization%20and%20His%20Appearing.pdf>

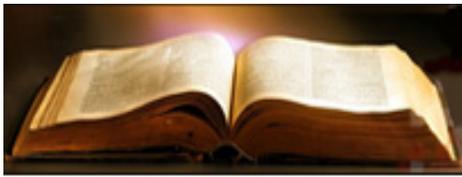

It is only by the Mercy of God that He has given to all these people and their nations the same opportunity as He gave the men of Nineveh. They must turn, repent, and sanctify themselves before Him or they will be cast out of their homes and nations, for the Separation Judgment is imminent. They will not like where they go, for the Lord says it will be a desolate place.

Revelation 18:1-8 ¹After these things I saw another angel coming down from heaven, having great authority, and the earth was illuminated with his glory. ²And he cried mightily with a loud voice, saying, "Babylon the great is fallen, is fallen, and has become a dwelling place of demons, a prison for every foul spirit, and a cage for every unclean and hated bird! ³For all the nations have drunk of the wine of the wrath of her fornication, the kings of the earth have committed fornication with her, and the merchants of the earth have become rich through the abundance of her luxury." ⁴**AND I HEARD ANOTHER VOICE FROM HEAVEN SAYING, "COME OUT OF HER, MY PEOPLE, LEST YOU SHARE IN HER SINS, AND LEST YOU RECEIVE OF HER PLAGUES.** (*How are you to come out: Joel 2:12-20 and Jeremiah 50:14-18*). ⁵**For her sins have reached to heaven, and God has remembered her iniquities.** ⁶**Render to her just as she rendered to you, and repay her double according to her works; in the cup which she has mixed, mix double for her.** ⁷**In the measure that she glorified herself and lived luxuriously, in the same measure give her torment and sorrow; for she says in her heart, 'I sit as queen, and am no widow, and will not see sorrow.'** ⁸**THEREFORE HER PLAGUES WILL COME IN ONE DAY—DEATH AND MOURNING AND FAMINE. AND SHE WILL BE UTTERLY BURNED WITH FIRE, FOR STRONG IS THE LORD GOD WHO JUDGES HER.**

Consider that the Bible warns us in Hebrews 10:26-27 that if we sin willfully during this appointed time of the Day of the Lord, then these people doing this, and those participating, can understand that they have brought upon themselves the absolute assurance of the wrath of God in His imminent rising for the Separation Judgment.

Hebrews 10:26-31 ²⁶For if we sin willfully after we have received the knowledge of the Truth, there no longer remains a sacrifice for sins, ²⁷but a certain fearful expectation of judgment, and fiery indignation which will devour the adversaries. ²⁸Anyone who has rejected Moses' law dies without mercy on the testimony of two or three witnesses. ²⁹Of how much worse punishment, do you suppose, will he be thought worthy who has trampled the Son of God underfoot, counted the blood of the covenant by which he was sanctified a common thing, and insulted the Spirit of grace? ³⁰For we know Him who said, "Vengeance is Mine, I will repay," says the Lord. And again, "The LORD will judge His people." ³¹It is a fearful thing to fall into the hands of the living God.

So that it can be clearly understand the seriousness of walking in fornication with the 13 families that run the nation of the Crowne Trust, that is called in the Bible as "the Little Horn that speaks pompous words" (*See Eccl. 8:4*), the following is the plague that will come upon all those who walk in the way of the Rothschild's plan for a One World Order. This event is the Great Tribulation that it is speaking of, and the Lord revealed that

we have passed over that line this past week. It is time to be zealous for a global revival of Truth, or be destroyed in the Tribulation, or in the plagues that follow after the Separation Judgment. As is made clear in Matthew 24 and Mark 13, the Separation Judgments follow after the Great Tribulation.

Zechariah 14:12-15 ¹²And this shall be the plague with which the Lord will strike all the people who fought against Jerusalem: Their flesh shall dissolve while they stand on their feet, their eyes shall dissolve in their sockets, and their tongues shall dissolve in their mouths. ¹³It shall come to pass in that day that a great panic from the Lord will be among them. Everyone will seize the hand of his neighbor, and raise his hand against his neighbor's hand; ¹⁴Judah also will fight at Jerusalem. And the wealth of all the surrounding nations shall be gathered together: Gold, silver, and apparel in great abundance. ¹⁵Such also shall be the plague on the horse and the mule, on the camel and the donkey, and on all the cattle that will be in those camps. So shall this plague be.

Well, I think that the point is well made. I hope that these in these nations, as well as those committing these acts and passing these laws, will understand the dangers that they have allowed themselves to be put in. Please understand that the passage of laws approving homosexuality gives the 13 families the right to remove you from your house, your assets and from your nation. It is as sure a promise as the veil that comes from the placement of idols and false gods in our nations key cities.

Remember that the Bible promises that when we allowed the 13 families and their followers to cause idols, statues to false gods, to dragons and beasts, and the use of pattern designs of idols (*Like the Pagan Owl in the layout of Washington DC*) to be built in our key cities that we have allowed the people to be blinded from understanding the truth of what is happening to them. For example the owl in the design of Washington DC allows the leaders of the nation to stage war against its own citizens and for the leaders to be caused to believe that they are wiser than God and to believe that they have no power to stop what is happening to their nation. Also, the goddess Ceres of agriculture over the Mercantile and Trade building in Chicago allows them to destroy our future food and to cause it to be harmful to us. The same goddess on the capital building in the state of Missouri curses the farmlands of the heart of our nation. Likewise the dragon on the weather vane on top of the church in the City of London allows the 13 families to control the weather for the purposes of doing evil on the earth.

Also, the dragons at all the gates of the city of London and on its seal used on all stationary and contracts, has allowed them to incorporate the will of the purposes of Satan into every agreement and treaty that the 13 families and their Crowne Trust have entered into, inclusive of the terribly illegal agreement Franklin Delano Roosevelt entered into with them in March of 1933 that gave our nation and all of its citizens to the Crowne Trust. And, make no mistake, it is attested to in legal filings and it was stated openly by Prince Andrew, the 13 families and their Crowne Trust are at war with America and all of its citizens. This is why they have placed their people in charge of our nation, and the Lord has allowed it for they did it by enabling His own Laws while the shepherds did not make the people aware of these acts and why the Bible says to not allow this, or the result will be a blindness to the truth. And, in the second term of George Bush Jr. the government even passed their own law that the government does not have to tell the people the truth. Those who agreed with this, unless they repent and become sanctified by His Words, will receive of the plague of Zech. 14:12 because they have come against the Lord's Elect who are by His Word, of the City of Jerusalem, for we have already entered into the Day of the Lord. And, in fact, we are in the Night of His Day when His Kingdom shall come forth for those who are watching for His Light rising (*His Words - Ps. 119:130, Hosea 6:5, John 12:48*). But, all those who do wake up and do call upon His Name shall be saved. However, until the Elect come to understand

With Floyd E. Taylor

that His Name is His Words (*Rev. 19:11-13*) they cannot understand how to call upon His Name so that He hears them. He said in John 17:17 that they are sanctified by receiving His Truth - His 153 Holy Words that have been set apart with great promises of God's Good Works since before the foundations of the world were put in place. These are the Words that Jesus spoke and the Creation was done in just six days, just as the Bible says it was done.

Not only has the "Time God Kingdom of God on Earth" not been understood (*The Season and Time during the Day of the Lord when the Lord will rule over the earth from Heaven, as is clarified in Daniel 7:9-14.*); but we have also not understood the way of the Separation Judgments. At His Appearing He will separate the people in a manner that is not so different from the Tower of Babel. It is going to be a shock. Based upon the luck of some to make it through the devastations of the Great Tribulation, many people are going to be shocked to be one minute in their home in their nation, and then suddenly they are cast into a desolate area, perhaps a bombed out city, in another nation, with no hope of returning to their house or nation.

I hope that this is Kingdom Food for possibly some serious thoughts of Good...

WELLINGTON, New Zealand (AP) — Hundreds of jubilant gay-rights advocates celebrated at New Zealand's Parliament on Wednesday as the country became the 13th in the world and the first in the Asia-Pacific region to legalize same-sex marriage.

Lawmakers voted 77 to 44 in favor of the [gay-marriage](#) bill on its third and final reading.

People watching from the public gallery and some lawmakers immediately broke into song after the result was announced, singing the New Zealand love song "Pokarekare Ana" in the indigenous Maori language.

"For us, we can now feel equal to everyone else," said Tania Penafiel Bermudez, a bank teller who said she already considers herself married to partner Sonja Fry but now can get a certificate to prove it. "This means we can feel safe and fair and right in calling each other wife and wife."

In one of several speeches that ended in a standing ovation, bill sponsor Louisa Wall told lawmakers the change was "our road toward healing."

"In our society, the meaning of marriage is universal — it's a declaration of love and commitment to a special person," she said. She added that "nothing could make me more proud to be a New Zealander than passing this bill."

Lawmakers from most political parties were encouraged by their leaders to vote as their conscience dictated rather than along party lines. Although Wall is from the opposition Labour Party, the bill also was supported by center-right Prime Minister John Key.

"In my view, marriage is a very personal thing between two individuals," Key said. "And, in the end, this is part of equality in modern-day New Zealand."

Since 2005, New Zealand has allowed civil unions, which confer many legal rights to gay couples. The new law will allow gay couples to jointly adopt children for the first time and will also allow their marriages to be recognized in other countries. The law will take effect in late August.

"This is really, really huge," said Jills Angus Burney, a lawyer who drove about 90 minutes to Parliament to watch the vote with her partner, Deborah Hambly, who had flown in from farther afield. "It's really important to me. It's just unbelievable."

Burney, a Presbyterian, said she and Hambly want to celebrate with a big, traditional wedding as soon as possible.

The change in New Zealand could put pressure on some of its neighbors to consider changing their laws. In Australia, there has been little political momentum for a change at a federal level and Prime Minister Julia

Gillard has expressed her opposition to same-sex marriage. Some Australian states, however, are considering gay-marriage legislation.

Rodney Croome, the national director for the lobbying group Australian Marriage Equality, said that since Friday, 1,000 people had signed an online survey saying they would travel to New Zealand to wed, though same-sex marriages would not be recognized under current Australian law.

"There's this really big, pent-up demand for this in Australia," Croome said. "New Zealand is just a three-hour plane ride away, and many couples are going to go to New Zealand to marry. They are just so sick and tired of waiting for the government to act. I think it's going to spark this big tourism boom."

Many people in New Zealand remain vehemently opposed to [gay marriage](#). The lobbying group Family First last year presented a petition to Parliament signed by 50,000 people who opposed the bill. Another 25,000 people have since added their signatures to that petition.

"Historically and culturally, marriage is about man and a woman, and it shouldn't be touched," said Family First founder Bob McCoskrie. "It doesn't need to be."

McCoskrie said same-sex marriage should have been put to a public referendum rather than a parliamentary vote. That might not have changed the outcome, however: Surveys indicate that about two-thirds of New Zealanders favor gay marriage.

The change was given impetus last May when U.S. President Barack Obama declared his support for gay marriage. That prompted Prime Minister Key to break his silence on the issue by saying he was "not personally opposed" to the idea. Wall then put forward the bill, which she had previously drafted.

Same-sex marriage is recognized in the Netherlands, Belgium, Spain, Canada, South Africa, Norway, Sweden, Portugal, Iceland, Argentina and Denmark. Lawmakers in Uruguay approved a law last week that President Jose Mujica is expected to sign. Nine states in the U.S. also recognize such marriages, but the federal government does not.

In his speech before Wednesday's vote, lawmaker Tau Henare extended a greeting to people of all sexual identities and concluded with a traditional greeting in his indigenous Maori.

"My message to you all is, 'Welcome to the mainstream,'" Henare said. "Do well. Kia Ora."
