

**The Way of the Coming of His Words and the Kingdom of God from the mystery of Noah and his seed:**

There is a wonderful Prophetic Word that was spoken by Lamech, the father of Noah, that will be fulfilled by this very generation. It is the key to the Way by which this very generation will re-enter into the likeness of the Garden of Eden here on earth prior to the event known as the Rapture. The event is actually the same as receiving the Kingdom of God on earth as it is in Heaven. But, there is more to this great story that reveals a great mystery. It is the story of how the key to entry into the Kingdom of God will come through the seed of Japheth. In this Section of this Bible Study we will review the interesting path from the Scriptures that reveals why the Kingdom of God will be returned to the earth through the seed of Japheth. And we will see why the right to that work was lost by first the seed of Shem, and also by the seed of Ham. And we will find many of these secrets tied to the event known as the Tower of Babel.

**Genesis 6:10** <sup>10</sup>And **Noah begot three sons: Shem, Ham, and Japheth.**

**Genesis 5:28-31** <sup>28</sup>Lamech lived one hundred and eighty-two years, and had a son. <sup>29</sup>And he called his name Noah, saying, **"This one will comfort us concerning our work and the toil of our hands, because of the ground which the LORD has cursed."** <sup>30</sup>After he begot Noah, Lamech lived five hundred and ninety-five years, and had sons and daughters. <sup>31</sup>So all the days of Lamech were seven hundred and seventy-seven years; and he died.

**Joel 2:3.** <sup>3</sup>A fire devours before them, and behind them a flame burns; **THE LAND IS LIKE THE GARDEN OF EDEN BEFORE THEM,** and behind them a desolate wilderness; **surely nothing shall escape them.**

**Ezekiel 36:33-36** <sup>33</sup>Thus says the Lord God: **"On the Day that I cleanse you from all your iniquities, I will also enable you to dwell in the cities, and the ruins shall be rebuilt. <sup>34</sup>The desolate land shall be tilled instead of lying desolate in the sight of all who pass by. <sup>35</sup>So they will say, 'THIS LAND THAT WAS DESOLATE HAS BECOME LIKE THE GARDEN OF EDEN; and the wasted, desolate, and ruined cities are now fortified and inhabited.'** <sup>36</sup>Then the nations which are left all around you shall know that I, the Lord, have rebuilt the ruined places and planted what was desolate. I, the Lord, have spoken it, and I will do it."

To understand the coming of the Kingdom of God, we need to understand the history of the Words of God from the days of Noah until now. For all the things of God are established upon His Words and the Covenant Promises of Good Works that they contain. If we can grasp the understanding of the Ways of these Words from the days of Noah and his sons, and the seed of his sons we may be able to open our minds to the understanding of Truth and become thirsty to increase in Knowledge of His Words.

The present world, as it was also in the days of Abram, is guided by the words of the earthly language that are of satan and spoken by deceiving ways – by luring twists - into the minds of all people. The words of the earthly languages that are twisted by satan will end, as satan will also end. And the focus of the mind of man of this world is to seek to succeed in this world of the kingdoms of man, instead of determining to bring forth the Kingdom of Heaven on the earth and its Pure Language that will never end. Until we set ourselves into the knowledge that the Pure Language of the Kingdom of Heaven does not come as the words of the world languages that satan manipulates, but comes in a Pure Language that do not just come as words, but they come indwelled with Power, Spirit, and Eternally Living Promises of Works of God that are unbreakable.

When we read of the "One Language" in Genesis 11:1 we should understand that this was referring to the Pure Language of the Pure Words of God that when spoken in the Ways made known by God, will enable the Works of God that were placed into those Words from before the foundations of the world were put into place, are Covenant Promises of the God Most High. We should understand that "One" is the most powerful description of the Godhead and His Words. Later in this Bible Study we will consider this further. I have pointed out many times that in Genesis 10:5, Genesis 10:20, and Genesis 10:31, that all the seed of Noah's sons had received their individual earthly languages from the Lord prior to the event of the Lord's

dispersing the rebellious ones at the Tower of Babel that is told in Genesis 11. But, they still all had the One Language that is the Pure Language of the Words of God that are given forth by the Voice of the One Shepherd, our King, and our Lord, and our Savior, the Lord Jesus who is "The Christ" of all people.

**Genesis 10:1-5** <sup>1</sup>Now this is the genealogy of the sons of Noah: Shem, Ham, and Japheth. And sons were born to them after the flood. <sup>2</sup>**The sons of Japheth** were Gomer, Magog, Madai, Javan, Tubal, Meshech, and Tiras. <sup>3</sup>The sons of Gomer were Ashkenaz, Riphath, and Togarmah. <sup>4</sup>The sons of Javan were Elishah, Tarshish, Kittim, and Dodanim. <sup>5</sup>**From these the coastland peoples of the Gentiles were separated into their lands** (*This verse is very important for it reveals that the people were given areas on earth where they were to settle and honor God. But, what is very important is that it is from the people of the nations of the coastlands that the Lord will cause a remnant to hear His Law, give Him Praise, and who will follow His mighty arm that will guide them to bring forth His nation and return the knowledge of His Law to His remnant of Israel in the last days and Glorify Him (Isaiah 42:4, Isaiah 24:15, Isaiah 41:1-5, Isaiah 60:9, Isaiah 66:19).*), **everyone according to his language** (*This particular description helps to understand that the Lord had set them apart and given them different languages for communicating the things of the earth. But, they were to speak the Ways of the Words of God in all those earthly languages. And this verse, along with Genesis 11:1, makes it clear that it is not a particular earthly language, such as Hebrew, Greek, Russian, Chinese, Arabic, or any other earthly tongue that they may speak, that is above the other. The Words of God are common to every earthly language. But, it is the Way that we speak them that enables the Spirit of God to discern from our heart and soul that we are communicating to the Father in the Ways of those words in His Pure Language or not (See Hebrews 4:12).*), **according to their families, into their nations.**

**Genesis 10:20** <sup>20</sup>These were **the sons of Ham**, according to their families, **according to their languages, in their lands and in their nations.** (*The Bible refers to Egypt as being the land of Ham "the land of Ham" in Psalm 78:51; Psalm 105:23,27; Psalms 106:22; and 1 Chronicles 4:40. All those who follow the way of the pagan gods and implement the occult idols, such as the Romans, the house of Hapsburg, the Crowne Trust, the Vatican, and the leaders of the nations are of this definition of people.*)

**Genesis 10:31-32** <sup>31</sup>These were **the sons of Shem**, according to their families, **according to their languages, in their lands, according to their nations.** <sup>32</sup>These were the families of the sons of Noah, according to their generations, in their nations; and from these the nations were divided on the earth after the flood.

The Bible points out that this Melchizedek (*This is not a name as I have shown in another Bible Study, but rather it is a title. That meaning of that title is Chief Magistrate of Justice by Righteousness.*), King of Salem, is referred to as the Priest of God Most High, and we need to remember that Shem, Noah's son, was alive during Abram's life. The Bible reveals that Shem actually outlived Abraham by 35 years. Shem was alive for all of Abraham's 175 years. Shem did not die until Isaac, Abraham's son, was 110 years old, and Jacob, Isaac's second son, was 50 years old. That is important because in Genesis 9:26 it is stated that Noah blessed God and stated that God is Shem's God. The wording used by Noah was literally, Jehovah, Elohim of Shem. This is the personal relationship of the Lord who is the Messiah, the Lord Jesus Christ.

The reason Noah spoke that description over Shem seems clearly to be because the Spirit of Truth had clearly guided Shem in his actions of leading his brother Japheth to take a garment upon both their shoulders and walk backwards and cover Noah with it. That was Shem doing the Ways of the Words in honoring the father who was their teacher and instructor. The garment was symbolic of all the knowledge of the Words of God that had been taught to them by Noah. And it honored the Way of the Vineyard that Noah had planted so that he could instruct his children in the Ways of Truth. Remember that God never changes His Ways, so the Laws of instructing all those in your household the Ways of the Words of God

everyday also existed in the days of Noah. Those laws are given in Deuteronomy 6:4-9 and Deuteronomy 11:18-21.

Let me digress for a moment from my main purpose of this Section to explain about Noah and the history of the Words of God in the days of his sons, and the event of losing the right of His Pure Language at the Tower of Babel, to quickly point out that the Lord in John 8:40 bears witness that He met with Abraham. Also, Abraham lived during much of the latter days of Noah. And the Bible bears witness that Noah's son Shem outlived Abraham. And the Lord spoke with Noah and his sons, so we should be able to understand that the Lord also taught the ways of His Words to Abraham, as is born witness in his visit to Abraham in the story of his visit as Melchizedek, King of Salem, and High Priest of the God Most High. Another reason that I would like to have us to look at John 8:37:47 and John 8:48-59, is so that we can see that the Words of God are of a Pure Language of Words that we can hear in our earthly language, but unless we have sought the Lord to enable us to receive the Spirit of Truth in us, then we cannot discern His Words (*John 14:15-17, Proverbs 1:23*). This will be more understood when we see what actually happened at the Tower of Babel.

**John 8:37-47** <sup>37</sup>"I know that you are Abraham's descendants, but you seek to kill Me, because My Word has no place in you. <sup>38</sup>I speak what I have seen with My Father, and you do what you have seen with your father." <sup>39</sup>They answered and said to Him, "Abraham is our father." Jesus said to them, "If you were Abraham's children, you would do the works of Abraham. <sup>40</sup>But now you seek to kill Me, a Man who has told you the Truth which I heard from God. Abraham did not do this. <sup>41</sup>You do the deeds of your father." Then they said to Him, "We were not born of fornication; we have one Father—God." <sup>42</sup>Jesus said to them, "If God were your Father, you would love Me, for I proceeded forth and came from God; nor have I come of Myself, but He sent Me. <sup>43</sup>**Why do you not understand My Speech? Because you are**

**not able to listen to My Word. <sup>44</sup>You are of your father the devil, and the desires of your father you want to do. He was a murderer from the beginning, and does not stand in the Truth**

*(Those who are of the world should pay very careful attention to this verse for this Appointed Time is about at hand. The Time of Truth is when the Father rises up and judges everyone by their sins according to their obedience to the Words of God that Jesus has spoken in His ministry on earth, and as per what He has been calling out for the people to hear the Words of His Voice, to turn and repent, and to then become zealous to receive the knowledge of His Truth so that they can do Good for others and pass through these judgments of these days. What I am pointing out is that those who follow the ways of the words that come from out of the mouth of satan, and who complacently accept willful sins that violate the Laws of God, such as worshipping on a pagan sabbath, accepting sexual immorality as justified, and accepting the removal of prayers and the Bible from educational and government facilities, as well as allowing statues of idols to stand in all the key places of the nation(s), are not going to be able to stand in the Time of the Night that is also the Time of Truth for all are judged equally by His Words. Take notice that Jesus says that not even the devil and his dominions who have been already cast down to the earth will be able to stand during that time of the Night that comes in the Night of the Day of the Lord and is known as the Appointed Times of the Separation Judgment. The plagues will come on all those people, and it comes equally upon the demons, for they have possessed these people and are in them.),*

**because there is no Truth in him. When he speaks a lie, he speaks from his own resources, for he is a liar and the father of it.**

<sup>45</sup>**But because I tell the Truth, you do not believe Me.** <sup>46</sup>Which of you convicts Me of sin? And if I tell the Truth, **why do you not believe Me?** *(According to Deuteronomy 18:18-19, Zechariah 14:7, and Hebrews 10:26-27, we were required to be waiting for His Words to open, just as the lost sheep of the house of Israel were to be waiting and prepared at the time of their visitation.)* <sup>47</sup>**He who is of God hears**

**God's Words; therefore, you do not hear, because you are not of God."**

**John 8:48-59** <sup>48</sup>Then the Jews answered and said to Him, "Do we not say rightly that You are a Samaritan and have a demon?" <sup>49</sup>Jesus answered, "I do not have a demon; but I honor My Father, and you dishonor Me. <sup>50</sup>And I do not seek My own glory; there is One who seeks and judges. <sup>51</sup>**Most assuredly, I say to you, if anyone keeps My Word he shall never see Death.**" <sup>52</sup>Then the Jews said to Him, "Now we know that You have a demon! Abraham is dead, and the prophets; and You say, '**If anyone keeps My Word he shall never taste Death.**'" <sup>53</sup>Are You greater than our father Abraham, who is dead? And the prophets are dead. Who do You make Yourself out to be?" <sup>54</sup>Jesus answered, "If I honor Myself, My honor is nothing. It is My Father who honors Me, of whom you say that He is your God. <sup>55</sup>Yet you have not known Him, but I know Him. And if I say, 'I do not know Him,' I shall be a liar like you; **but I do know Him and keep His Word.**" <sup>56</sup>**Your father Abraham rejoiced to see My day** (*Abraham saw Him as King, as we will see Him. He appeared to Abraham as Chief Magistrate of Justice and Righteousness and King of the Foundation of Peace, and High Priest of the God Most High. That is the Title that is stated when His title is written as Melchizedek, King of Salem, and Priests of the God Most High.*), **and he saw it and was glad.**" <sup>57</sup>Then the Jews said to Him, "You are not yet fifty years old, and have You seen Abraham?" <sup>58</sup>Jesus said to them, "**Most assuredly, I say to you, before Abraham was, I AM.**" <sup>59</sup>Then they took up stones to throw at Him; but Jesus hid Himself went out of the temple, going through the midst of them, and so passed by. (*The Words of God have the full measure of the Spirit of God and the authority of God to do His Will, and it is His Will that in the Day of Troubles that His people who have set themselves apart from the world by Truth, pass through the Judgments (See John 5:24). Thus, we can know without doubting that He will blind the people of the world to the Way of Truth. If we go forth in His Way, then we cannot be stopped for we are doing the Will of God (1 John 5:14-15). In the Law of God for the Ways of His Words is that at the entrance of His Words the Light is separated from the Darkness, and those of the Darkness cannot touch those in whose hand holds those who keep His Words.*)

If we look at those laws of God give to all parents, that are given in Deuteronomy 6:4-9 and Deuteronomy 11:18-21, bear witness to why it would be that Shem likely outlived Japheth and Ham, for the Law of Deuteronomy 11:18-21 states that if the sons are taught the Words of God and keep them, then years would be added onto their lives. Shem showed his leadership in the Ways of the Words of God. It is also helpful to note that the Lord uses the description of the sons of Noah to show us very intriguing insight to the future generations of the seeds of these sons, even until today.

In Genesis 6:10 we are told: "And Noah was five hundred years old: and Noah begat Shem, Ham, and Japheth." However, a careful review of the Scriptures reveals that Japheth was the oldest of the three sons of Noah and Ham was the youngest. That Truth is openly hidden within the Scriptures. And it is hidden for Good reason, so that when the sons of God begin to awaken they can see that this was God's plan from the beginning. It was not His desire, but it has sadly been required because of the sinful nature of man that desires the simple way to prosper rather than the sure way (*The same strong sin that befell Eve, as Paul worried about for us as is recorded in 2 Corinthians 11:3. For Eve had the deceitful serpent, but we have the more wicked great dragon.*).

I believe that we can see that this is a Prophetic Word of instruction that reveals to us the Way by which the blessing will be fulfilled that Lamech spoke over Noah when he named him Noah. That blessing is recorded in Genesis 5:29. It reads: And he called his name Noah, saying, "This one will comfort us concerning our work and the toil of our hands, because of the ground which the LORD has cursed." The meaning of this verse is that the Spirit of God revealed to Lamech that through the Way of the Good Work for the Kingdom of God that the Lord is giving to Noah to do that will enable the seed of Noah to eventually be returned back to the Garden. That is the same as saying it will remove the curse of the earth and the removal of the curse from the toils of man.

The Bible reveals that Noah accomplished this by the blessings He offered to God, and by planting a vineyard and keeping it in the Ways of being a doer of the Words of God. Through this Good Work Noah enabled the Words of God to go forth so that they would eventually bring forth the Kingdom of God on earth as it is in Heaven. Remember that it is the Lord that is the One Good Shepherd, and He enables the Spirit of Truth to make known His Ways to Noah. And it is bread and wine that Melchizedek King of Salem brings to feed to Abram to enable him to understand the Ways of His Eternal Plan. The bread opens instruction, and the wine is the food that opens the knowledge of the Eternal Plan of God for the Generations. That is the knowledge of the Words that Noah used to enable the Spirit to draw on the hearts of the generations to be drawn - to be caused to desire - to seek out the knowledge of Truth.

Noah's work was to seed the path for his seed to come out from being deceived by the ways of the world and from the words of man that are stirred up in man from the flood that comes from the mouth of the great dragon. Noah was to prepare the acceptable Way for man to increase in the knowledge of Truth so that they can be set apart from those of the world, and to enable them to be drawn to resist evil and follow the Way of the Good Words of the Voice of the Lord and believe in the Promises of the Father. By this they can find the Way to re-enter the likeness of the Garden of Eden (*Ezekiel 36:35, Joel 2:3*).

In Genesis 10:21 we see that Japheth is called the elder brother of Shem. Further we are told in Genesis 7:6 that Noah was 600 years old at the time of the flood. And remember that we are told in Genesis 5:24 that he began to have children when he was 500 years old, making the oldest son to be 100 years old at the time of the flood. And in Genesis 11:10 it is clarified that Shem did not turn 100 years old until two years after the flood. It is also confirmed by Noah in Genesis 9:24 that Ham was the youngest of his sons.

Please understand that there has been a long-held tradition that Noah's sons were triplets based simply upon Genesis 5:24. Many people believed in that tradition, including myself, for it was taught that way by many preachers and scholars. I believed it until recently when the Lord opened the knowledge to me that the names are given in that order so that we could understand the Way of the work in the Kingdom Plan of God that would be done through these three brothers. The listing of the names in Genesis 6:10 was not arranged according to the birthing order, but according to the work that their generations would do in the bringing forth the Kingdom of God on earth within God's Plan.

**Genesis 6:9-10** <sup>9</sup>This is the genealogy of Noah. Noah was a just man, perfect in his generations. Noah walked with God (*This means that Noah walked in the Ways of being a doer of the Words of God because He had understanding of His Words. This is clearly why he understood to till the earth and plant a vineyard.*).

<sup>10</sup>And **Noah begot three sons: Shem, Ham, and Japheth.**

This way of listing the leaders of the family in accordance to the ways of the works for the Kingdom that they do also holds true in Genesis 11:26-27 in description of Terah's sons, Abram, Nahor and Haran. Many people say that they were also triplets. But, it becomes obvious that this was not the case. I will cover that in another Bible Study.

Remember that Shem, and his two brothers, were also in attendance with Noah when the Lord made known His Covenant blessings to them (*Genesis 8:15-22 through Genesis 9:1-17*). Among these Covenants was the Commandment to be fruitful and multiply. That means to do the Ways of His Words to enable the Good Works to come forth. By doing this man is blessed and His works are multiplied. These are the verses that testify to the birth order of the sons of Noah.

**Genesis 5:32** <sup>32</sup>**And Noah was five hundred years old, and Noah begot Shem, Ham, and Japheth.**

**Genesis 11:10-11** <sup>10</sup>This is the genealogy of Shem: **Shem was one hundred years old, and begot Arphaxad two years after the flood.** <sup>11</sup>**After he begot Arphaxad, Shem lived five hundred years, and begot sons and daughters.**

**Excerpt from the Notes for Floyd's Bible Study, The Meaning of Night**

**Genesis 10:21** <sup>21</sup>And children were born also to Shem, the father of all the children of Eber, the brother of Japheth the elder.

**Genesis 9:24** <sup>24</sup>So Noah awoke from his wine, and knew what his younger son had done to him.

**Genesis 5:28-31** <sup>28</sup>Lamech lived one hundred and eighty-two years, and had a son. <sup>29</sup>And he called his name Noah, saying, "This one will comfort us concerning our work and the toil of our hands, because of the ground which the LORD has cursed." <sup>30</sup>After he begot Noah, Lamech lived five hundred and ninety-five years, and had sons and daughters. (*Lamech died 5 years before the flood in the days of Noah.*) <sup>31</sup>So all the days of Lamech were seven hundred and seventy-seven years; and he died.

**Genesis 10:1-5** <sup>1</sup>Now this is the genealogy of the sons of Noah: Shem, Ham, and Japheth. And sons were born to them after the flood. <sup>2</sup>The sons of Japheth were Gomer, Magog, Madai, Javan, Tubal, Meshech, and Tiras. <sup>3</sup>The sons of Gomer were Ashkenaz, Riphath, and Togarmah. <sup>4</sup>The sons of Javan were Elishah, Tarshish, Kittim, and Dodanim. <sup>5</sup>From these the coastland peoples of the Gentiles were separated into their lands, everyone according to his language, according to their families, into their nations.

The following is a chart of the Genealogy of Adam of the family of serving the Kingdom (*From Genesis 5*).

Name	Years at Birth 1 <sup>st</sup> Son	Years After Birth	Total Years Lived	Meaning of Name
Adam	130	800	930	<i>earthy; red</i>
Seth	105	807	912	<i>put; who puts; fixed</i>
Enosh	90	815	905	<i>man or mankind in its frailty and weakness, man frail and miserable, mortal</i>
Cainan (Kenan)	70	840	910	<i>buyer; owner, possessor; purchaser</i>
Mahalalel	65	830	895	<i>Praise of God</i>
Jared	162	800	962	<i>One who has become humble; a ruling; commanding; coming down</i>
Enoch	65	300	365	<i>dedicated; disciplined, vowed, trained, zealous for Truth</i>
Methuselah	187	782	969	<i>he has sent his death</i>
Lamech	182	595	777	<i>poor; made low</i>
Noah	500	450	950	<i>Rest, comfort, repose; consolation</i>
Japheth	Japheth was 2-3 years older than Shem. We know Noah's firstborn was 100 years before the flood which occurred when Noah was 600 years old. In Genesis 5:24 we are told Noah began to have children when he was 500 years old. In Genesis 10:21 it is revealed that Japheth is called the elder brother of Shem.			<i>Enlargement, wide spreading</i>
Shem	In Genesis 11:10 it is clarified that Shem did not turn 100 years old until two years after the flood. This makes Japheth to be 2-3 years older than Shem, depending on the interpretation of Genesis 11:10.			<i>Name, Renown, Fame, Reputation, Celebrated, or Distinguished. It even means Identity or Personality.</i>
Ham	It is also confirmed by Noah in Genesis 9:24 that Ham was the youngest of his sons.			<i>Hot, Passion or Intensity</i>

You may ask why is this information important? It is because the birth order of Shem, Ham, and Japheth bear witness to the testimony of the coming forth of the Kingdom of God in the End Days. History bears witness that the house of Israel is descendant from the tribe of Shem. The house of Israel brought forth the Words of God, but the Lord testifies in Matthew 21:43-44 that the Kingdom would be taken from them and given to another nation. Paul bears witness that it would be to the Gentiles who would receive the Kingdom. Other Scriptures seem to bear witness that it will be the Gentiles of the coast lines that would be the ones that will hear the Voice of the Lord and would receive the Words of God, which is what enables the Lord to bring forth the Kingdom. As it is pointed out in Genesis 10:5, these are the Gentiles that descend from Japheth. Let us consider these great events and we will see the trail of the Way of the Work of the path of the Kingdom from the blessing of Noah, through Noah and his sons, to us who will finally enter His Kingdom.

**Genesis 10:6-20** <sup>6</sup>The sons of Ham were Cush, Mizraim, Put, and Canaan. <sup>7</sup>The sons of Cush were Seba, Havilah, Sabtah, Raamah, and Sabtechah; and the sons of Raamah were Sheba and Dedan. <sup>8</sup>Cush begot Nimrod; he began to be a mighty one on the earth. <sup>9</sup>He was a mighty hunter before the LORD; therefore, it is said, **“Like Nimrod the mighty hunter before the LORD.”** (*This seems to be foretelling the coming forth a man who will be like Nimrod. He will be called the future King of the North that speaks the mighty words inside the city of the harlot of Babylon (Daniel 7:8,11, 25; and Daniel 11:36-45). It is not one person, but it is*

The Rothschild family patriarch, Amschel Meyer Bauer changed the family name to Rothschild, which means “red shield”. It is very obvious that the city of London, which is also a sovereign nation referred to as the Crowne Trust Corporation, has as its symbol a shield that is supported by two dragons, both with arrow tipped tongues and arrow tipped tails. The shield has on its Northwest portion a sword pointed up towards God. It matches the famous words of the Rothschild patriarch who famously and arrogantly proclaimed; “Let me issue the currencies and I do not care who writes the laws.” The Crowne Trust is the tiny little horn and they*

And they are also the ones who have put in place the depopulation program that is determined to eliminate, or exterminate, 7 billion (99.6%) of the present population of the world. One came say that indeed Rothschild has become like Nimrod. Also, Nimrod’s mother, who also abominably became his wife was Semiramis, who was also known as Ishtar and Isis. The people of Nimrod’s day followed the wisdom of the words of Nimrod because they did not want to obey the Lord and be dispersed throughout the world, as the Lord had given them instructions to do. So Nimrod, by his wisdom, used the power in the Promises of God that are enabled by being doers of God’s Words, to create a new way wherein they could override the instructions of the Lord, and the Eternal Plan of the Lord, and enable themselves to not be dispersed, as well as not being limited to the limits of years of life. Remember that in the Words of God is Spirit and Life (John 6:63), and also within the Covenants of the*

Words of God is the determination of adding years to their lives (*Deuteronomy 11:18-21*). The Scriptures do reveal in *Genesis 11:6* that to the people following the Way of Nimrod, nothing they would have purposed to do would have been kept from them. That would have included eternal life. And remember that at that time God had not restricted any man from the Words of God, for He had given authority of His Words to Noah and his three sons in *Genesis 9*, and for them to have dominion over the earth. Thus, at the events of *Genesis 11* that are now known as the events of the Tower of Babel, all the people who were on the earth knew the knowledge of Truth – the knowledge of the set apart Words of God, as well as the Covenant Promises of Good Works that these unbreakable Words unlock. Thus, all the people, regardless of the earthly languages that they spoke, were all able to speak and do the Ways of the Words of God's Pure Language by which all things are controlled and by which all things are sustained (*Psalms 33:4*). This is why the Bible says in *Genesis 11:1* that all people had One Language, even though it is revealed in *Genesis 10* that all the groups had different languages. The term "One" is synonymous with the triune Godhead, as is clarified in *1<sup>st</sup> John 5:7*. The Pure Language of the Kingdom of Heaven is also the "One Language". But, they had one major problem. The Words are also accountable to the Eternal Plan of God that can only be changed by the Will of God. And, as is made clear in *Genesis 11:7*, it was not in the Will of God for them to use the Sacred Words of His Pure Language in a Way that was not in alignment to the Eternal Plan of God for the generations. When the Lord says to take dominion of the earth and multiply, it is the same as instructing them to go forth and bring forth the generations according to the Plan of the Lord given within the Creation account (*As is testified to in Genesis 2:4*). Thus, as is recorded in *Genesis 11:7-8* the Lord (*The Triune Godhead*) came down and confused their minds and removed their authority to speak in the Pure Language of the Kingdom of Heaven. The result is that they were each left with only their different earthly languages that they had been given previously (*As is recorded in Genesis 10:5, Genesis 10:20, and Genesis 10:31*). Without the power of the Words of God they would not be able to understand each other in these earthly languages, as is testified to in *Genesis 11:7-8*. Remember that at Pentecost, the disciples were given the authority of the Words of God in Power, and the Spirit descended upon them in fire that was in the form of cloven tongues. And the Bible testifies that they were able to go out into the streets and speak and the people could hear them in their own languages. That was the same power that the people of the Tower of Babel had, for they had authority to speak in the One Language, and no matter what earthly language that the others spoke, they could understand what the other person was saying. The Bible reveals in *Acts 2:1-12* that the disciples were given the gift of what came into their minds to speak of the Words of God, that the people could understand it in their own earthly languages. But, when the Lord took His Authority to speak in His Pure Language away from them they were left with only their earthly languages. This power of speaking to all languages will again be seen in this Day, for the Lord has said in *Joel 2:12-20* that we are to gather the people. That means that He is sending us to do this and it means that He will enable the invitation to be heard in their language because it is the time to hear the Words. Thus, we are awaiting the Power to fall, and this time it is to be the Great Sword of Revelation 6:3-4, for it is the Sword of the Spirit that is the Words of God spoken in the Ways of the Seven Spirits that divides the people. This is why one has to speak in humbleness and in Righteousness. Not even the Archangel Michael speaks in reviling words, but he speaks the Way of Truth with a pure desire that God's Will is done for each one spoken to. For only God is judge. When we make known the knowledge of Truth with a Pure heart they judge themselves. And Judgement is according to His Appointed Time for each of them. This is surely partly why the Lord says in *Daniel 12:4* that knowledge shall increase for the Words are opened in this Day of Judgment. As I mentioned previously, it is revealed in *Genesis 11:7-8* that this meant that they could no longer understand each other for they had lost the power of the One Language which had enabled them to speak and their speech would come out in the words of the others language to whom you desired to enable God's Works for. It is clear from *John 14:15-17* that from that day forward the Father made it the Law of Truth that man that is of a heart that is desiring the ways of the world and not the ways of the Kingdom of Heaven cannot receive the Spirit of Truth within them. That Law is further testified to by Paul in *2 Corinthians 12:1-4*. The Lord also bears witness to this in what I call as "the Law of All Our Desires" that is given in *John 15:7* wherein He proclaims that if we abide in His Ways, and we also abide in

the Words of God, then all that we desire will be done for us. That is the law that was abused by Nimrod and all those at the event of the Tower of Babel. The apostle John also repeats this law in 2 John 5:14-15, but he adds the clarification that this means we have to ask all things within the Will of God. Clearly the people of the event known as the Tower of Babel were not doing the Ways of His Words within the Will of God, and thus the Lord ended their charade by taking away their right to speak in His Pure Language. He also dispersed them around the world. It is also important to note that the tower was like establishing what we now call a pagan obelisk. For by the tower that reaches the heavens it has the meaning that they were instructing their desire to the heavens that they want the heavens to relocate their provisions, and their seed, that God had placed into layers of the earth from the Creation (*Carefully consider Psalm 139:15-16, Isaiah 51:16.*), to be relocated and gathered to where they have placed themselves, and not where God had purposed it to come forth. Their intent to do this is stated clearly in Genesis 11:1-4. The Lord has clearly given them instructions to disperse and be blessed in the lands where He had prepared for them (*As is recorded in Genesis 10:5, Genesis 10:20, and Genesis 10:31, and as is testified to within the text of Genesis 11:1-4*). Remember that the Words of God in the Heavens controls our seasons, times, days and years (*Genesis 1:14-15*). Since everything was prepared for each of us from the beginning, it means that the Lights in the Firmament (*The Living Words of God in the Firmament*), are continuously drawing the particles from the earth and preparing them for us continuously. The Lights are the Words of God that was placed into the Heavens in Genesis 1:14-15 (*See Psalm 119:130, 142, 160, Psalm 33:4*). The important point is that the Tower was a physical manifestation of what was their principal work desired by all the people and that desire was against the Eternal Plan of God that was prepared from before the foundations of the earth, in the beginning; and thereby, it was clearly against the Will of God for them to do this. And therefore it could only lead into His coming forth to intervene. It also by His Law required that the perpetrators and participants had to be punished. This is the same reason that the Lord is going to intervene to stop the modern day Nimrod and the modern day harlot of Babylon, or we can say the harlot of wickedness (*See Zechariah 5:5-9, Matthew 24:21-22, Mark 13:19-20, Daniel 7:11-12.*) <sup>10</sup>And the beginning of his kingdom was Babel, Erech, Accad, and Calneh, in the land of Shinar. (Shinar is the land from which the harlot of Babylon, the Holy Roman Empress comes forth (*Zechariah 5:5-11*)). <sup>11</sup>From that land he went to Assyria and built Nineveh, Rehoboth-Ir, Calah, <sup>12</sup>and Resen between Nineveh and Calah (that is the principal city) (This "principal city" is the clue that reveals this evil work of the Tower of Babel. And it is also the clue to the work of the city of Babylon of these last days. This truth is revealed in Genesis 10:12 that principal city, or great city, is Resen that was located between Nineveh and Calah. It is clear from the names of the cities and the testimony of history, that the city Nineveh seems to have been located to the North, and Calah would therefore have been located to the South. It does seem that Babel, Resen and Calah were likely completely destroyed by the Lord after He dispersed these people. The South is the way of the double blessing. The meaning of the work associated to the name "Resen" is that of a bridle. We can see why this is, for what they were trying to do would be likened to re-directing the power of a horse by bridling it (*By the way it is not a good thing that in the south of England they have placed a huge white stone horse in the side of a hill. It is occult and its work is to change the Word of God of the work that He has appointed to the nation. They nation's leaders at nearly all their official events boldly sing the abominable song "Jerusalem". In that song the words proclaim their desire to disobey God's Will and to relocate Jerusalem to its green fields in England. That is likened to the revolt against God's known Eternal Plan from man that the people implemented at the tower of Babel and in their cities.*). In this case of Resen and the Tower they were trying to redirect the Promises of God that are given in His Words, and use them to obtain their desires outside the Will of God. At the same time they were attempting to block the Lord from intervening. The meaning of the work that is associated to the name "Calah" is that of retaining its own strength and the establishment of a new thing. The principal meanings of the name Calah is "Vigor" and "New Thing". The vigor that is being referred to is the strength of one's knowledge of his authority and power. The root of the word is related to the sternness of a set face. The word vigor is also used in the Bible when describing Moses in that at the age of his death he was full of vigor that he

had from his youth. This is a clue into their activities in that they wanted to use the Unbreakable Words of God to establish their life eternally without the need of God. It seems that this is why they came up with the evil concept of sacrificing their firstborn for their blood to gain for themselves eternal life. But, they forgot to understand that they had to do these things within the Will of God.). <sup>13</sup>Mizraim begot Ludim, Anamim, Lehabim, Naphtuhim, <sup>14</sup>Pathrusim, and Casluhim (from whom came the Philistines and Caphtorim). <sup>15</sup>Canaan begot Sidon his firstborn, and Heth; <sup>16</sup>the Jebusite, the Amorite, and the Girgashite; <sup>17</sup>the Hivite, the Arkite, and the Sinite; <sup>18</sup>the Arvadite, the Zemarite, and the Hamathite. Afterward the families of the Canaanites were dispersed. <sup>19</sup>And the border of the Canaanites was from Sidon as you go toward Gerar, as far as Gaza; then as you go toward Sodom, Gomorrah, Admah, and Zeboiim, as far as Lasha. <sup>20</sup>These were the sons of Ham, according to their families, according to their languages, in their lands and in their nations. (I did not review all of these names of the sons and their works in this Bible Study because it would take so much time. And my point for this review was to follow the flow of the Ways of God's Word for the Kingdom of God as it flowed from Noah to the re-entrance of a people He would set apart as He worked through the generations of the sons of Noah. The Kingdom first went through the descendants of Shem (From them came Abraham and then the house of Israel.), until it was lost after the rejection of Christ in Jerusalem and then in Rome (Acts 28:28). Then the rejection of the Words by the descendants of Ham in Rome, inclusive of what is now called the Vatican. And finally the Words being caused to be received by descendants of Japheth who will be peoples from the nations of the coastlands that He promised in Isaiah 42:4 and Isaiah 60:9 that He will cause them to receive His Law and return it to His people. It is clear that the Father has caused His Words to be received in the USA from April 2003. And now these descendants of the Coastlands of Japheth will turn to the Lord and His mount Zion of the Heavens and be enlarged with knowledge like it was foretold in Noah's Prophetic Word. And from them the remnants of Israel (The remnants of Shem) will receive His Words and finally build His City in the Way that makes for their Salvation. And also the descendants of Japheth will bring the Words to the remnants of Ham (The Egyptians and Assyrians that come out, as is made clear in Isaiah 19:24-25.) who will hear His Words and believe on the Promises of the Father. Then these three will be purified, made white and refined and re-enter into the likeness of the Garden of Eden, fulfilling the Prophetic Word of Lamech spoken over Noah, and it will fulfill the vineyard Work for the Kingdom that God gave to Noah.)

**Genesis 11:1-9** <sup>1</sup>Now the whole earth had One Language and One Speech. <sup>2</sup>And it came to pass, as they journeyed from the east (The East is another name from the Throne of God. This is saying that they were falling away from following God and keeping His Instructions.), that they found a plain in the land of Shinar (This name means these people do the way of the "watch of him that sleeps; the teeth of the city". The teeth are symbolic of remembering all the words that one has spoken in the past. They are attached to the jaw bone. The Lord placed a ring - a hook - in the mouth all the people who follow the way of Gog, and it vibrates to remember the instruction God has given them to prepare and to come forth in their appointed time. That is similar to the meaning of Shinar. The plain is important for it signifies that their idea was to be peaceful and deceive the Lord. Mountains are symbols of power. Valley is a place where one tries to let their words do the speaking. In some cases, like the second heaven that was satan's dominion until he was removed and sent to the earth by the Archangel Michael, the description of green valley as the place of deceitful counsel. Green is the color of the 4<sup>th</sup> Spirit of God and it is the Spirit of the Counsel of His Words. Satan's counsel is always lies, and those who listen to him shall be destroyed. The Tower of Babel is a testimony to them of God's promise that in His Appointed Time He will rise up and destroy them, for His Word is strong but satan's word is weak (See Joel 2:11). Satan's heaven is described as a place of green valleys, for he uses deceitful words to overcome. But, one who has the Words of God and has understanding does not fear green valleys.), and they dwelt there. <sup>3</sup>Then they said to one another, "Come, let us make bricks and bake them thoroughly." (The Hebrew text means to fire them until they are white hot. This is the same as putting a new garment of knowledge on the tower. And remember that the tower is speaking to the heavens to enable the heavens to relocate their particles that God has lawyered in the earth for them in all their days, and to bring

them to where they are. And they were asking of the heavens to extend their lives eternally according to this new word. They were not eliminating the Words of God, but they were manipulating the powers given to the Spirit of God within the Words of God. The Words cannot be broken, and therefore the Spirit of God will do what is within the Law of the Words to do. It seems that they built this tower of brick that was so hot that its face became like mirrored-glass. Take note that in the City of London they have curiously built such highly reflective glass building structures that seem strange that they were approved to be built. The Word "Come" means to give an authority that the purpose will not fail and that everything is prepared. This points out that they believed that they had all the knowledge necessary to complete the work that they would begin.) **They had brick for stone** (This statement is saying that their brick that they were using had the purpose of holding their words. Remember that the Lord's Word is in stone. Their grinding of the brick and firing it would show that they wanted that Words of God in the fiery stones in the top Heaven to be altered to do the work of their words. (Note that this Capstone is the fourth Heaven of God that is just above the 3<sup>rd</sup> Heaven of Paradise. In this Capstone is where the Four Living Creatures and the fiery stones are located, according to Ezekiel 1. It is just above this Capstone that is the top of the Firmament that the Throne of God is found. His Throne is above the Firmament according to Ezekiel 1. Lucifer was located within the Capstone where the Four Living Creatures are, for the Scriptures says that he walked among these fiery stones. Jesus has always been higher than this, for He is seated by the Father at His Throne that is just above the Capstone. This is why the deception of the illuminati pyramid with the eye glowing within the Capstone is so damning to the unwise who celebrate it. Those illuminate pyramids glorify satan's old position within the Capstone, and it denies the authority of Jesus Christ who is above the Capstone with God the Father. It is true that the Four Living Creatures are always watching us and sending out His Words to adjust for our actions in behalf of our blessing that is recorded in those stones of the Words the Lord spoke over each of us from the 6<sup>th</sup> Day of Creation. And when we honor that pagan drawing as being the highest authority of the all-seeing eye of our god, we are actually mocking the Lord and recognizing satan as the god we desire to follow. Thus, satan has these foolish ones telling the Four Living Creatures that they desire to follow the wisdom of Lucifer and not the Lord Jesus Christ in whose Hands God has given all things, including our every breath. The Holy of Holies and the Throne of the Living Lord God and the Living Son of God who is our King, Savior, and High Priest, is located above the Firmament and not inside the Firmament.)), **and they had asphalt for mortar** (The Word of God is always sealed, and they used something of hot sand to be as a seal to their words. Like the Word of God was sealed on the Ark, and the Ark could not be opened until the Lord told it to be opened. The same concept was in the work of these people. Remember that their desire was to do the work of changing the position of the particles that the Lord had layered into the earth and assigned to come forth in its appointed time. They were creating their own appointed times.). <sup>4</sup>**And they said, "Come, let us build ourselves a city, and a tower whose top is in the heavens** (This seems to be describing an obelisk type structure for they are intending to change the Laws of their seasons and times, for they wanted to change from where the Lord told them they are to go, and to gather where they were. The obelisk is likened to a phallus symbol that changes the law of the seed of man. It could be that their tower was a spiral structure for they were trying to change the power of the Words of God that are in the Heavens. That power of the immediate Word of God is the whirlwind, and we often refer to that pattern as a tornado. But, they wanted the top to be in the heavens so that it gathered to where they desired in the valley of the land of Shinar – rebellion of their words - that they laid claim to. Further, this tower had to be reflective because they are technically trying to move particles with the earth by adjusting the signals coming into the earth from the heavens. And they would have had to be transmitting the Ways of the Words of God in some manner. That would likely have been in the form of a beating sound (like drums) or a musical sound.); **let us make a name for ourselves** (I have explained many times that within the Bible the meaning of a "name" is the work for the Kingdom of God that the something being named is assigned to do. For example, the city of Jerusalem has a Kingdom Work that is given to do and that is to be the Foundation of Instruction of the Way to Peace as it is known in the Kingdom of God that is accomplished through increasing in the knowledge of

Truth – the knowledge of His Words and the Good Works of God that His Words enable. These people were clearly trying to remove the Work that the Lord had given to them to fulfill for the Kingdom, and were technically trying to rewrite their name within the layers of the earth. They clearly were working towards obtaining eternal life and controlling a portion of the earth by the usurping of the power of the Words of God. The families of the Crowne Trust are very much like these powerful ones of the descendants of Ham. Their actions give them away and reveals from whom of Noah's three sons that they are descendants of. This is very important, for these evil rulers, such as Queen Elizabeth II, proclaim that they are descended from the house of Solomon. That is impossible for the house of Solomon is descended from the line of Shem. The Queen, and those families of the Crowne Trust prove by their actions that they are indeed descendants of the house of Ham, and that they are of the house of satan as like Nimrod and Semiramis. It is no small thing that the Crowne Trust is financing the evil works that is trying to overcome God's Eternal Plan. It is not in the blood line of Shem to lead such as effort. Also the Queen is bringing forth the worship of the goddess Ishtar and Isis, and even the worship of Nimrod. Nimrod is known in Egypt as the god Osiris. All one has to do is look at the face of Zeus on the threshold of the doors of her gold state coach, and you can see that she does not worship the God of the Words of Wisdom that Solomon worshipped. In Revelation 2:6 and Revelation 2:14-15, the Lord speaks that He hates these who say they are Jews and they are not. He says that they are of the house of satan, and clearly all these of the Crowne Trust who have a depopulation program that is planning to exterminate 7 billion of the people on earth is of the house of satan. Further the Lord says that He hates the Nicolaitans. The Nicolaitans best description is those who perpetuate the worship of myths, so as the false myth of Saint George and the Dragon. Even the Vatican honors these pagan Nicolaitans works. Be aware that the worship of Vatican and Orthodox worship of the myth of Saint Nicolas (Santa Claus) is a myth of the order of the Nicolaitans. That is a pagan worship. And it is based on the concept of teaching your children to believe in lies from the beginning. And its roots are in Europe where the mythical Saint Nicolas would go around giving children candy for believing in him, not actually for being good. The truth is that it is psychologically training children to believe in myths – it is the worship of the Nicolaitans, and God hates it. The Lord said that all these who causes any of these little ones to stumble in the Way shall be punished. Further it is required by the Law of God for the parents to teach His Words to them in their house every night and by this their years will be extended on the earth (*Deuteronomy 6:4-9, 11:18-21 and Psalm 78:1-8.*). That mandatory teaching of His Words by the parents is not being done in almost any household in the world, for the parents have failed to rightly divide the Words of Truth.), **lest we be scattered abroad over the face of the whole earth.**” <sup>5</sup>But the LORD came down to see the city and the tower which the sons of men had built. <sup>6</sup>And the LORD said, “**Indeed the people are one and they all have one language, and this is what they begin to do; now nothing that they propose to do will be withheld from them.**” <sup>7</sup>Come, **let Us go down and there confuse their language, that they may not understand one another's speech.**” (The wording is that the Lord changed not only their speech, He also changed their lips. This would seem to clarify that this is where the different races came from, for He changed them according to their lands and their earthly language. When He changed them to not be able to understand their speech, it would include the changing of their jaw and body form, for that also changes the ability to understand their speech.) <sup>8</sup>So the LORD scattered them abroad from there over the face of all the earth, **and they ceased building the city.** <sup>9</sup>Therefore its name is called Babel (Its work is confusion so that we may learn to Honor His Words and not lose the right to His Words.), **because there the LORD confused the language of all the earth** (He took away the right of His Pure Language from those who walk in the ways of the world that is in rebellion to the Eternal Plan of God.); **and from there the LORD scattered them abroad over the face of all the earth.**

**Zechariah 5:5-10** <sup>5</sup>Then the angel who talked with me came out and said to me, “Lift your eyes now, and see what this is that goes forth.” <sup>6</sup>So I asked, “What is it?” And he said, “It is a basket (The actual word is an “Ephah”. This is a basket that is used as a measuring amount – like we use a cup, a quart, a gallon, etc. Thus, it is revealing that this basket will come forth when the harlot has completed the fullness of her allotted evil works. God will only allow so much of her works.) that is going forth. He also said, “This is their

resemblance throughout the earth: <sup>7</sup>Here is a lead disc lifted up, and this is a woman sitting inside the basket"; <sup>8</sup>then he said, "This is Wickedness!" And he thrust her down into the basket, and threw the lead cover over its mouth. (*The meaning of the lead disc covering the mouth is telling us of the day when the Lord is going to cause a famine of the Words of God from all those who follow the Harlot – see Amos 8:11-14. The lead disc is the symbol of taking away the power over the heavens and of her words. I have explained in writings and in presentations that the words of the sun and moon rule over those of the night and the day. Lead is symbolic of having the power of voice removed. The circle represents the circle of the scroll and the circuit plan of God.*) <sup>9</sup>Then I raised my eyes and looked, and there were two women, coming with the wind in their wings (*This is clearly from the Lord, and it is likened to Righteousness and Justice, for all Judgment is by His Words, and it is His Wisdom who calls out His Words, and she is Wisdom. The Lord says that His Words go forth in two ways – Righteousness and Justice – Gen. 18:19. In 2 Cor. 6:7 it says that He will do this with Righteousness for the right hand and the left hand.*); for they had wings like the wings of a stork (*The punishment of the Harlot comes forth like labor pains to a pregnant woman – 1 Thess. 5:1-3*), and they lifted up the basket between earth and heaven. <sup>10</sup>So I said to the

angel who talked with me, "Where are they carrying the basket?" <sup>11</sup>And he said to me, "To build a house for it in the land of Shinar (*This name means "watch of him that sleeps; the teeth of the city"*); when it is ready, the basket will be set there on its base." (*They have built its base with the Order of the Garter and the Admiralty Law System. And in August 2008 she signed the Law of the Sea Treaty giving the Queen the ownership of all the Seas. And she came forth to the United Nations in NYC on July 6, 2010 and told the leaders that it is time to finish what she started previously. And they are aggressively moving forward to openly bring forth wickedness, even the extermination of ~7 billion people in the name of creating the lie of a sustainable earth that they operate without God. They will fail as did the Nimrod and Semiramis. She is the modern day Queen called Ishtar and Isis, for she secretly rules over all the seas and lands.*)

In Genesis 10:21 we see that Japheth is called the elder brother of Shem. Further we are told in Genesis 7:6 that Noah was 600 years old at the time of the flood. And remember that we are told in Genesis 5:24 that he began to have children when he was 500 years old, making the oldest son to be 100 years old at the time of the flood. And in Genesis 11:10 it is clarified that Shem did not turn 100 years old until two years after the flood. It is also confirmed by Noah in Genesis 9:24 that Ham was the youngest of his sons.

The following texts are the instructions of the Lord to Noah and His Sons, as well as the texts that record Noah's offerings to God. These texts also include the blessings that were spoken over Noah and his sons by the Lord. With the background of what we have just reviewed, it would seem that it would be interesting to go back and more carefully review the Scriptures to see the great interaction between the Lord and Noah and his sons.

**Genesis 8:15-19** <sup>15</sup>Then God spoke to Noah, saying, <sup>16</sup>**"Go out of the ark, you and your wife, and your sons and your sons' wives with you. <sup>17</sup>Bring out with you every living thing of all flesh that is with you: birds and cattle and every creeping thing that creeps on the earth, so that they may abound on the earth, and be fruitful and multiply on the earth."** <sup>18</sup>So Noah went out, and his sons and his wife and his sons' wives with

him. <sup>19</sup>Every animal, every creeping thing, every bird, and whatever creeps on the earth, according to their families, went out of the ark.

**Genesis 8:20-22** <sup>20</sup>Then Noah built an altar to the LORD, and took of every clean animal and of every clean bird, and offered burnt offerings on the altar. <sup>21</sup>And the LORD smelled a soothing aroma. Then the LORD said in His heart, "**I will never again curse the ground for man's sake, although the imagination of man's heart is evil from his youth; nor will I again destroy every living thing as I have done.**" <sup>22</sup>"**While the earth remains, seedtime and harvest, cold and heat, winter (Correction and re-growth) and summer, and day and night shall not cease.**"

**Genesis 9:1-10** <sup>1</sup>**So God blessed Noah and his sons, and said to them: "Be fruitful and multiply, and fill the earth.** (This is a command for the seed to go forth and be spread out over all the earth to enable all of God's Generational Plan of Genesis 2:4 to be fulfilled.) <sup>2</sup>**And the fear of you and the dread of you shall be on every beast of the earth,** (This is a very IMPORTANT PROMISE OF GOD to remember. Satan had been cast down to earth and he is the beast and his servants are of the beast kingdom. Because satan is now bound to the earth, if he comes at you when you are sealed with the Words of God inside of you, then satan and all of his beast army will have the Spirit of Truth to bring fear of you upon them and satan and his forces will flee from you as is promised in Revelation 12:16. The earth will open its mouth and speak fear into the hearts of these who are servants of the beast. If you are set apart from the people of the world by His Words that are Truth, as it says in John 17:17, then you have authority over the earth to do Good, and the Promise of God is that the fear of Him whose Spirit of Truth is in you will cause the man of the world to come into fear of you. And they will also come into confusion just like those of the tower, for it is the time of the Words of God to leave them and when the Words leave them they will not be able to work. As Revelation 6:12-17 reveals, they will suddenly have a great fear come over them and they will not even be able to stand against you because of the fear.) **on every bird of the air** (This is also VERY IMPORTANT, for the birds of the air include the dominions of satan, including his demons.), **on all that move on the earth, and on all the fish of the sea. They are given into your hand.** <sup>3</sup>**Every moving thing that lives shall be food for you. I have given you all things, even as the green herbs.** <sup>4</sup>**But you shall not eat flesh with its life, that is, its blood.** <sup>5</sup>**Surely for your lifeblood I will demand a reckoning; from the hand of every beast I will require it, and from the hand of man.** (The people who work in the abortion field, and all those who purchase the parts and fluids of fetuses and place them into products and food products are going to be destroyed by the hand of man, for His Promised Word will be done to them and if they do not repent before that time. They will be punished by God's Words that they have ignored or have rejected. It seems that women who have had abortions will likely also turn on them, for the Bible indicates these people who will be of the 6<sup>th</sup> beast kingdom will hate the harlot and will destroy all her works (Revelation 17:16-17). There will be many more such issues, such as those who supply toxic vaccinations, Chemtrails, fluorides, GMOs, glysohats, and etc. Also punished will be those who block people from the healthy foods such as pure milk from cows, pure herbal supplements, organic foods, toxic-free fish, etc.) **From the hand of every man's brother I will require the life of man.** <sup>6</sup>**"Whoever sheds man's blood, by man his blood shall be shed** (This is important. In Daniel 11:43-45 and in Ezekiel 38 the Lord warns that the armies of this day, though they come out to make war as a United Nations army, the Lord is going to cause them not only to turn on each other, but He is going to cause the armies themselves to kill each other. And He will also have them turn on the Crowne Trust and destroy all that it has and all those who walk with the evil city. The Law of God is that they will be killed by man. Satan knows this and he is leading them into their civil suicide, and laughing all the way to his assured prison in the pit that is prepared for him, for he will send many men there before him.); **for in the image of God He made man.** <sup>7</sup>**And as for you, be fruitful and multiply; bring forth abundantly in the earth and**

multiply in it.” <sup>8</sup>Then God spoke to Noah and to his sons with him, saying: <sup>9</sup>“And as for Me, behold, I establish My covenant with you and with your descendants after you, and with every living creature that is with you: the birds, the cattle, and every beast of the earth with you, of all that go out of the ark, every beast of the earth.”

Genesis 9:11-17 <sup>11</sup>Thus I establish My covenant with you: Never again shall all flesh be cut off by the waters of the flood (This means the Crowne Trust and the United Nations will not be allowed to accomplish their One World Order, their Depopulation Extermination Program, or their Climate Change Global Destruction Program now called Agenda 2030. The reason is that is intended to kill all flesh, as the Lord testifies to in Matthew 24:21-22 and Mark 13:19-20. The reason is that the Lord makes clear in Revelation 12:12-17 that this evil is the flood that comes from the mouth of the great deceiving dragon. And in Revelation 17:15 the Lord tells us that the harlot resides over all the people of the world, and that verse testifies that we are of the waters. And satan has to do all his work through man. So this means it is a flood of waters. And remember that satan has to do all things within the limits of the Words of God, but he can only tempt people with evil, so that they have to choose evil or good. And remember that by what the Law of God proclaims in Genesis 9:5, satan can only accomplish his goal of killing all of mankind by using mankind to kill each other.); never again shall there be a flood to destroy the earth.” (This is a promise by the Lord that God will intervene. In Joel 2:12-20 the Lord explains exactly how to enable Him to intervene and drive the Crowne Trust and the United Nations far from us.) <sup>12</sup>And God said: “This is the sign of the covenant which I make between Me and you, and every living creature that is with you, for perpetual generations: <sup>13</sup>I set My rainbow in the cloud, and it shall be for the sign of the covenant between Me and the earth. (It is a terrible thing for the nations to allow the homosexual and gay communities to use the sign of the rainbow as their empowerment. It is like women saying that they are empowered by being allowed to have abortions. What foolishness. When you mock the Law of God that is proclaimed in these Covenants to all men on earth, they are mocking the power of the Holy Spirit to keep these unbreakable promises of God. It is terrible to even think of how terrible and great shall the fall of the foolish ones be in the Separation Judgment that is now coming on the earth. They need to run to God and repent before Him like the men of Nineveh, or begin to consider what it will be like to have the continuous plagues. Of the plagues that the Bible reveals that they will have is the destroyed flesh plague like Job had, only it will be far worse.) <sup>14</sup>It shall be, when I bring a cloud over the earth, that the rainbow shall be seen in the cloud; <sup>15</sup>and I will remember My covenant which is between Me and you and every living creature of all flesh; the waters shall never again become a flood to destroy all flesh. <sup>16</sup>The rainbow shall be in the cloud, and I will look on it to remember the everlasting covenant between God and every living creature of all flesh that is on the earth.” (Remember His promise of Psalm 14:2-3 and Psalm 53:2-3.) <sup>17</sup>And God said to Noah, “This is the sign of the covenant which I have established between Me and all flesh that is on the earth.”

Genesis 9:18-29 <sup>18</sup>Now the sons of Noah who went out of the ark were Shem, Ham, and Japheth. And Ham was the father of Canaan. <sup>19</sup>These three were the sons of Noah, and from these the whole earth was populated. <sup>20</sup>And Noah began to be a farmer, and he planted a vineyard. (The wine is used for the purpose of making known the plans of God to bring forth His Kingdom. When we give bread with wine we are asking the Father to enable the Spirit to cause this person to understand the Ways that you change the people into a son of God that they can become doers of the Words and produce the fruit that will enable them to enter into the Kingdom of God. In the Prophetic Word within the blessing spoken by Lamech when he gave his son the name of Noah, the Blessed Good Work was assigned to Noah of being the one to prepare the Way for man to be able to return to living in the likeness of the Garden of Eden. The meaning of the name Noah is “Rest”.

That means that the work Noah was given to do was to impart the knowledge of Truth into his seed so that they would eventually be able to increase in knowledge of Truth so that they would choose to be set apart by His Words. That would enable them to receive the full measure of the Seven Spirits of God and re-enter into the likeness of the Garden of Eden. Then once again the mouth of the earth would open so it can abundantly help man to bring forth a garden that is multiplied in Kingdom Fruit and Good Works of God. This is why Noah became a farmer and planted a vineyard to produce the fruit that would prepare the Way for his seed to increase in knowledge. And we are that generation that the Way has been prepared for as is testified to in Joel 2:3 and Ezekiel 36:35.) <sup>21</sup>Then he drank of the wine and was drunk, and became uncovered in his tent. <sup>22</sup>And Ham, the father of Canaan, saw the nakedness of his father, and told his two brothers outside. <sup>23</sup>But Shem and Japheth took a garment, laid it on both their shoulders, and went backward and covered the nakedness of their father. Their faces were turned away, and they did not see their father's nakedness. <sup>24</sup>So Noah awoke from his wine, and knew what his younger son had done to him. <sup>25</sup>Then he said: "Cursed be Canaan; a servant of servants he shall be to his brethren." (Canaan would be a servant of servants means that his descendants would always have the obstacle that if they desired to re-enter the likeness of the Garden of Eden, they would have to choose to humble themselves and to serve all the other nations. But, the Bible testifies, and history bears witness, that they become greedy merchants. And in Zechariah 14:21 the Lord testifies that at the end, because the Canaanites (*Global Merchants*) would not humble themselves to serve others, such as instructed by the Lord in Luke 16:1-13, they will not enter the likeness of the Garden of Eden, for the Lord says that there will not be any Canaanite in the land. If they humble themselves and present themselves as servants to His elect, then it seems that they are no longer Canaanites, but they are grafted in like Ruth into another family and could become part of the Kingdom of God.) <sup>26</sup>And he said: "Blessed be the LORD, the God of Shem (Noah was speaking the blessing over Shem that he would be the one to whom the greater knowledge of the Words of God would come forth upon the earth. And this was true, for it is through Shem that the line of the Lord would come through. That meant that he was asking the Father to continue to bring forth the teaching of the Words in the tents of the descendants of Shem.), and may Canaan be his servant. (This like I mentioned in verse 25. If the Canaanites humble themselves to become servants of Shem, or the Saints of Japheth (*See verse 27*), then they will be able to come back into the Kingdom and enter into the Rest of the Lord that is in the likeness of the Garden of Eden. But, if their pride and desire to be important in the world is greater than their love for eternal life, then they will be destroyed and taken out of the land.) <sup>27</sup>May God enlarge Japheth, and may he dwell in the tents of Shem (This is a very important blessing by Noah. He gave the seed of Shem the blessing to be the ones to have the seed of God and the knowledge of Truth to come through. But, Noah gave Japheth a very important work for the Kingdom. Noah is saying let the knowledge of Japheth be increased within the tents of Shem, and let him dwell in the tents of Shem. That means to hear the same knowledge of God if he will take care of doing Good for the seed of Shem for the Glory of God's Plan and for the work of the family of man - of Noah - that was assigned to Noah by the Spirit of God making it known to Lamech. And that work is to bring forth the likeness of the Garden of Eden that the seed of Noah can re-enter that Garden. And if that is true, when Shem falls, then allow Japheth to bring the Light of the Words of Truth back to the tents of Shem, and for the servants of Canaan learn also from serving Japheth. As I have stated earlier this was a very important blessing spoken by Noah, for it follows what has happened in real history. The Words of God were first caused to be opened by the Lord to the descendants of Shem, from Abraham until the days after Paul's meeting with the leaders of the house of Israel in Rome in ~58-60 AD. Then the right to bring forth the Kingdom of God was sent to the Gentiles. The descendants of the house of Ham has tried to usurp the right of the Kingdom from AD 60 until the Lord caused His Words to be opened to descendants of the house of Japheth in April 2003. But, all throughout the years of AD70 to 2003 there has been a battle by the descendants of the house of Ham (*The leaders of the Roman Empire and the Vatican*) to proclaim that they were the ones in line for the Kingdom. Even the Islamic state has fought to proclaim that their Mohammed had the right to bring forth the Kingdom, but that is untrue for the Lord took it away from the house of Israel

the descendants of Abraham, and the Arabs are descendants of Shem. But, the Lord said it would be taken and given to another nation (*Matthew 21:43-44, Acts 28:28*), and it will be from a nation drawn out by God from the coastland nations of Japheth. And they will bring it back to the remnants of the house of Shem, and then to the remnants of the house of Ham who serve with joy the Kingdom. This is why in Genesis 6:5 the Lord lists the flow of the Way of the sons of Noah in the order (*Shem, Ham, and then lastly Japheth.*) that they will serve the Kingdom of God to fulfill the Work of God that Noah was given to do. This is why I believe that there is no legitimate claim of an Islamic IMAM Messiah. It goes all the Way back to the record of the path back to the Garden that is revealed within Genesis chapters 5-11.); and may Canaan be his servant.”<sup>28</sup> **And Noah lived after the flood three hundred and fifty years.** <sup>29</sup>**So all the days of Noah were nine hundred and fifty years; and he died.** (This reveals that Noah lived well into the days of Abraham, and Shem outlived Abraham and Sarah. This is revealing that the Melchizedek (*Chief Justice of Righteousness*), King of Salem, and Priest of the God Most High would have been wiser than Noah and Shem, and that can only be the Lord Jesus Christ, the Messiah, the One Shepherd. He was the One who had guided Noah to make the Ark and had judged the world. I would like to close with the fact that there is no lawful basis of Scripture for the Crowne Trust's agents and affiliates to implement a set of man-made Noahide Laws as a new foundation for a new implementation of an abominable Global Religious System. Their attempt to do this is likened to the abominations of Constantine who destroyed the Sabbath Law of God and forced the world to accept a pagan fixed week calendar for Jews and another fixed week calendar for Gentiles. The Crowne Trust, of which the Vatican is one of its 13 main families, are attempting to eliminate many of the books of the Bible and to change the laws of God in the Bible. They are planning to eliminate many of the 66 books of the Bible and to force all people on earth to keep that religion only. They are not lawfully in a position to do that because since April 2003 their right to have dominion on the earth has been removed from them. And they are doing the same, or very similar, foolish things that the followers of Nimrod and Semiramis did. And the outcome for them is that you can find them located in a prison of God in the pit confined within bodies of worms.)
